Jack:

Thank you and Bill for your professional approach to liquidating my property in Orange Beach. Everything you guys did from putting together an advertising program to fit my budget to the brochures to the handling of the actual auction was done in a first class manner.

I also want to thank you for working with my representative and handling everything while I was out of the country. Being out of the country while having an auction could be stressful, however I was not worried knowing you guys were working for me.

It was a pleasure doing business with you and should the need arise again you can be assured your company will be the first one we call. Tell Bill to come see us next time he is in Orange Beach .

Best regards,

Neal Webster
