

Dear Jack:

2-14-07

Just a brief note to express my Thanks and appreciation to you and your group for the way you handled the auction of my house and property on 2-13-07.

Having had zero experience in this type of activity before, I'm satisfied that I made the correct decision in deciding to work with you. From the beginning you thoroughly explained the options available and necessary procedures; answered my questions patiently (both answers that I liked and that I didn't); and you and your staff treated me courteously and professionally. I appreciated that.

I would certainly recommend you and your group to others needing these services.

Thanks Again,
William C. Gmet
