Dear Jack:

I would like to take this opportunity to thank you, Bill, Jim and your entire staff for the excellent job you all did on the sale of my office building (CABRAL CHIROPRACTIC CLINIC) located at 512 Montgomery Hwy, Vestavia, Al. last Tues.

I particularly appreciated you " holding my hand" through the process and the almost daily communication as to the activity. Even though I was vacationing in Montana and the unexpected death of my mother during this time , I always felt connected to the situation.

I enjoyed working with you, should the situation ever arise again I would certainly utilize your services. With my warmest personal appreciation, I am

Sincerely,

Dr. John E. Cabral
