Dear Jack & Bill:

RE: Auction of Elmore County Property  
May 22, 2004

This is to express my appreciation for all the hard work and the time you and your staff put in to make the recent auction of my property in the city of Coosada successful. The turnout far exceeded my expectations, and I am convinced that the fair market value of the property was reflected in the final bid. I was impressed by your professionalism and availability prior to the auction, and I am sure that your skill in conducting the auction contributed to the final selling price. Thanks for a job well done.

Sincerely,

Katherine S. Weed
