RE: Harry & Dot Walker Estate Auction

Dear Jack,

Please thank your great staff for a job well done.
"Ataboys" are a thing of the past in most situations but I
sincerely appreciate the professional manner in which your
company handled the closure for this estate.

I have never been associated with this style of marketing
before but I believe this was the way for us to go, after
it's all said and done. We are very pleased with your
style and your business ethics.

Sincerely,

John Russell
