Dear Jack,

Thanks so much for all of your help and your professionalism with regard to our Rhodes 66 auction. Everything from open houses, pre-auction meetings and auction day activities were handled very smoothly and we look forward to working with you again if the occasion ever presents itself.

In such a slow market, it was gratifying to be able to sell 16 properties at once and being proactive about acquiring signatures for receiving condominium documents really has accelerated the closing process and I appreciate you doing that. As of this letter we will have closed 10 of the properties in 13 days which is fabulous.

Thanks again to you, Bill, Kaye, Guy, Jim and the rest of your staff for making the multi-parcel process easy to maneuver. I must say, you really know how to get the dollars going in the various rounds of bidding.

Take care,

Brett Taylor
