EARL PEOPLES

DIRECTOR

January 27, 2009

The existing building located on U.S. Highway 11 across the street from Fontaine that contains the addresses 5383 U.S. Highway 11, 5385 U.S. Highway 11, 5387 U.S. Highway 11, 5389 U.S. Highway 11, 5391 U.S. Highway 11, 5393 U.S. Highway 11, 5395 U.S. Highway 11, and 5397 U.S. Highway 11, is currently served by one water meter. Individual water taps and meters for these addresses are available and can be purchased from the Springville Water Department. This location is served from a tank with an overflow elevation of 1200 feet and is regulated by a pressure reducing valve to a hydraulic gradient 1065 feet.

If you have any questions concerning the contents of this letter, please call me at 205-467-2704.

Sincerely,

Earl W. Peoples, Director
Springville Public Works Department
Springville, Alabama
