Granger Thagard
Mr. Jack Granger

Dear Jack and Candace,

Charles and I wanted to thank you for handling the recent auction of our Homewood cottage. We really appreciated all the hard work your entire team did in the successful auction of our home.

We have been telling our friends that they definitely need to consider your services! I wish we would have used GT from day one and by-passed all the realtors who only cost us time and money.

Sincerely,

Karen & Charles Vest
