Dear Jack:

I would like to thank you and the team at Granger, Thagard & Associates for providing exceptional services during the recent auction of my family's acreage in Lee County. Your personal commitment and in-depth knowledge of the real estate auction process accomplished the timely sale of our land that had been in our family for generations.

We appreciate the diligence and dedication of your team's comprehensive marketing and advertising efforts which resulted in a great turnout of qualified and serious buyers. We did not expect the attention of 17 registered bidders.

My cousins, brother and I are very satisfied and happy with the results of our auction.

Sincerely,

L. H. Williamson
