Dear Jack:

I would like to thank both you and your associates for the fine job you did in auctioning my properties in Dora, AL, last week.

My two commercial properties, my childhood home, and 113 additional acres with barn all sold at the auction. Your marketing strategy of offering the property in multi-parcels brought me 14 buyers for the 16 parcels.

The strain of being an out-of-town owner has been a constant demand on me, both mentally and financially. I wish I had auctioned the property three years ago.

Best regards,

Annette Hollis Pali
