

The Estate of June Collier-Fletcher

(The Collier Family)

The Collier Family wanted to express our gratitude to GT Auctions for the excellent job on auctioning off our family homestead. Harness Hill is 150 acres in the City of Montgomery and, has been in the family for 42 years. The history and attachment to this property is great. All of the children and grand children grew up on Harness Hill loving it. My mother also used Harness Hill for many fund raisers for many charities. There are not many people in the area who has not heard of Harness Hill.

When the idea of auctioning off Harness Hill came up the response was dynamic to say the least. One of the main concerns was having the right company to handle the auction. My brother and I looked at 3 different companies. GT Auctions stood out from the other companies. Jack and Bill both showed a passion and knowledge for their business that stood way above the rest. They explained the process and showed us how to perform each step with maximum effectiveness. Bill talked to the family and answered all their questions to their complete satisfaction. Jack and Bill put a plan together for us and executed each step perfectly. The advertising package that they put together covered every market you could think of. They looked at the property and figured out the best way for property to be offered to get the most money. They checked all aspects of the property to make sure no surprises popped up that would interfere with the auction. They helped me in getting the property ready for showing and the actual auction. For the auction itself you have to see it to believe it. GT Auctions got the family every dollar that could have been gotten. They beat every family member's expectations of the dollar amount that Harness Hill sold for.

GT Auctions handled the most sensitive and complex part of this whole estate. As the executor they made my job much easier. As the oldest son and the middle child I honestly believe that GT Auctions helped keep my family together throughout this whole process. The whole Collier Family thanks GT Auctions for the wonderful job you did!

Thank You,
