Dear Jack,

We just wanted to let you know how pleased we were with G. T. Auction for the sale of our property on Battle Street in Talladega. It was easy for us because all we had to do was "show up." You handled everything as you had assured us you would. The auction was impressive to us. Your team was so efficient and competent.

The advertising, brochures, and video were extremely good and professional. We have no complaints. This was our first experience with an auction. We were very satisfied with the results.

We would recommend anyone who needs to sale property to use G. T. Auction. Thank you again.

Sincerely,

Bill and Sandra Hurst
