

December 7, 2022

Mr. Jack Granger,

Thanks again for bringing a sale to us through our absolute auction on the property in Birmingham, AL last week. After two years on the market and no offers, you made it happen in about 60 days. Everything you laid out to me, came true in the time period you said. If I ever have another property that we need sold, I would not hesitate to use you again.

Sincerely,

Russell Warren
