

Dear Jack and Kenny,

Please receive our compliments on a well-run auction campaign of the family land in Chelsea, AL. Kenny was excellent at handling all of the paper work and getting everyone to do what they needed to do on time. Working with Kenny on details was fun as he is detail oriented.

The auction was well-attended, and it was interesting to watch. Jack did a stupendous job and worked with each participant in the room and he never gave up!

Please have a future seller call on me for an endorsement as you have a pleased client in the Mason family

Sincerely

Cecile L. Mason
